

Ludham Parish News - February 2018

Dear Friends

The month of February in the Church year following on from Advent and Christmas brings us to Epiphany Season. Epiphany means manifestation. The emphasis in this season is on the beginning journey of God's salvation plan for the whole of creation and it is centred on what happens after the birth of Jesus the promised Messiah.

During Epiphany we reflect on the early years of Jesus and the beginning of Gods ministry amongst us here on earth. Baptism in water and the Holy Spirit are two themes that we have been reflecting on as we move towards our next preparation season which is Lent beginning with Ash Wednesday on 14th February. There will be an Ash Wednesday Waterside Group service with the imposition of Ashes, do look out for details.

Traditionally the marking with the sign of the cross on the forehead is the outward symbol of the penitent person who has chosen to reflect in fasting and prayer on Jesus journey of the Passion during lent. We hope that you will join with us in any one of our Churches to share this Epiphany and lent season together, all are welcome.

During this season of reflection of letting go of the past and new beginnings we begin to prepare our hearts to receive Christ asking for forgiveness and for help to move forward. There has never been any greater time in the world than right now in this moment to ask for Gods help in our lives.

Ask and the door will be opened, "Do not store up for yourselves treasures on earth, which moths can destroy, and where thieves can break in and steal. But store up for yourselves treasures in heaven, where moths cannot destroy, and where thieves cannot break in and steal. For where your treasure is, there your heart will be also" (Matthew 6:19-21). Sending every blessing of peace to all those who live and work and visit, Ludham, Hickling, Catfield and Potter Heigham.

Don't Forget - Submissions Need To Be In By The 15th Of The Month Preceding Issue

[SHORELINE REPORT](#)
[FEBRUARY 2018](#)

Writing this on New Year's Eve is a good time to thank you all for the donations to the Foodbank, St Martin's and Wateraid.

The sad truth is that the New Year does not bring hope and happiness for the future to everyone, and it seems hardship is going to increase before it improves.

However, great strides ARE being made by Wateraid. St. Martins is doing its best to extend its services and the Foodbank uses the Christmas response to help keep food stocks at a good level through January and February.

Many groups and individuals in our four villages were very thoughtful and generous at Christmas with specific responses to St. Martin's and the Foodbank. None of this is possible without people who care enough to make a difference

[Thank You, from Shoreline](#)

[HOW HILL TRUST - THE ENVIRONMENTAL STUDY CENTRE FOR THE NORFOLK BROADS](#)

The hidden woodland gardens, known as the 'secret gardens,' were established in the early 1920's by the original owner of How Hill House, Edward Thomas Boardman. The azaleas and rhododendrons are especially spectacular during May and June, and in October the autumn colours can be beautiful.

These gardens are open every day and access is signposted via the wood at the rear of How Hill House. A map and guide is available. Entry is free but donations to the How Hill Trust charity are welcome. The formal gardens surrounding the house are sometimes open. Please check the signs on the gates. If you would like to learn more about the history of the house and gardens, private tours with the Trust Director and Head Gardener can be arranged.

[At The How Hill Tearoom](#)

We serve a delicious selection of homemade cakes, scones and sandwiches, locally made ice creams and hot and cold drinks. The tearoom is located in the wooden building to the rear of How Hill House, as signposted from the public car park. We are open from 11am to 4pm:

WHAT'S GOING ON AT THE OLD VICARAGE

It has been a quiet month at The Old Vicarage following a manic Christmas. We have started a cookery club and so far the residents have enjoyed making bread pudding, bakewell tart and pizzas.

We have also started our very own knitting club so any donations of wool would be gratefully received, we are making squares for the premature babies in the NICU, the idea being the mother has one square and the baby another, then they swap so the baby can have the comforting smell of their mother nearby. We feel this is a very beneficial cause.

We are looking forward to the weather starting to warm up so we can begin to enjoy trips out in the mini bus again.

Fireworks:

The Parish Council would like to sincerely thank all those parishioners who made the Fireworks Display on New Year's Eve possible. There was some threat to the display due to the fairly high winds, but it went ahead and was enjoyed by many. In particular the Friends of St. Catherine's Church would like to thank parishioners for their charitable donations during the display of £458. The Fireworks display is made possible by the generous help of the Parish Councillors, the Ludham Wives and kind individuals. It is funded by donations from parishioners and from the Womack Trust.

Noticeboard:

Parishioners may have noticed that the noticeboard on Baker's Arms Green (on the wall of Throwers) is slowly growing old. The Parish Council would be immensely grateful if any kind parishioners might feel willing to fix it, or if a local business might be interested in replacing it / mending it and sponsoring it. Please take a look at it, and if you think you'd like to get involved speak to the Clerk or a Parish Councillor

The next meeting of the Parish Council will take place on Tuesday 6th February 2018 at 7.30pm
